

Due to new federal legislation designed to reduce paperwork and administrative burden, we are informing you of upcoming changes to how Form 1095-C will be distributed. The Paperwork Burden Reduction Act passed in 2024 modifies provisions under the Patient Protection and Affordable Care Act so that employers and health insurance providers are no longer required to send tax forms to covered individuals showing proof of minimum essential coverage (1095-C tax forms) unless a form is requested.

### **What is Form 1095-C?**
